# TUSKEGEE UNIVERSITY PROFILE

Tuskegee University is an independent and state-related institution of higher education. Its programs serve a student body that is coeducational as well as racially, ethnically and religiously diverse. With a strong orientation toward disciplines which highlight the relationship between education and work force preparation in the sciences, professions and technical areas, Tuskegee University also emphasizes the importance of the liberal arts as a foundation for successful careers in all areas. Accordingly, all academic majors stress the mastery of a required core of liberal arts courses.

Tuskegee University is located in Tuskegee, Alabama, which is 40 miles east of the Alabama State Capitol in Montgomery and is within easy driving distance to the cities of Birmingham, Alabama, and Atlanta, Georgia.

The academic programs are organized into five Colleges: (1) The College of Agricultural, Environmental and Natural Sciences; (2) The College of Business and Information Science; (3) The College of Engineering, Architecture, and Physical Sciences; (4) The College of Liberal Arts and Education; and (5) The College of Veterinary Medicine, Nursing and Allied Health. The curricula for the five colleges currently offer 49 degrees including 35 Bachelor's, 12 Master's, a Doctor of Philosophy in Materials Science and Engineering and Doctor of Philosophy in Integrative Biosciences, and the Doctor of Veterinary Medicine.

Graduate instruction leading to the Master's degree and Doctor of Philosophy Degree is offered in three of the five colleges.

The University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools; and the following programs are accredited by their respective professional bodies: Business, Education, Engineering, Clinical Laboratory Sciences, Nursing, Occupational Therapy, Social Work, and Veterinary Medicine. Of special note is the fact that Tuskegee University is the only independent, historically black university with four engineering programs that are nationally accredited by the Accreditation Board of Engineering and Technology (ABET), the major accrediting body for the engineering sciences. Also, Tuskegee University's chemistry program is one of only a few among Historically Black Colleges and Universities that is approved by the American Chemical Society. Furthermore, the Dietetics Program is approved by the American Dietetic Association and the Food Science Program is approved by the Institute of Food Technologists.

Tuskegee University was the first black college to be designated as a Registered National Historic Landmark (April 2, 1966), and the only black college to be designated a National Historic Site (October 26, 1974), including units of the district that are administered by the National Park Service of the U. S. Department of Interior.

Special features in Tuskegee University's program include: The General Daniel "Chappie" James Center for Aerospace Science and Health Education, honoring America's first black four-star general who was a Tuskegee University graduate, and housing the nation's only Aerospace Science Engineering program at an HBCU; Media Center, School of Veterinary Medicine, with the state-of-the-art video up-link and down-link, intra-school communications, audio/visual, graphics, photography and document production; The Kellogg Hotel and Conference Center, a state-of-the-art hotel and meeting facility for educational, business and cultural events; The Tuskegee University National Center for Bioethics in Research and Health Care, a distinctive research, teaching and outreach program that addresses issues of ethics and public policy in the treatment of people of color and rural Americans in health care.

Other special features which enhance the educational and cultural environment of the University include: The Booker T. Washington Monument, "Lifting the Veil," which honors the University's Founder; the George Washington Carver Museum (named for the distinguished scientist who worked at Tuskegee), which preserves the tools and handiwork of Dr. Carver; the Tuskegee Archives, a chief center for information on the challenges, culture and history of black Americans since 1896; The Tuskegee Airmen's Plaza, commemorating the historic feats of America's first black pilots, who were trained at Tuskegee University; The Reserve Officers Training Corps Center, and the Center for Continuing Education a nucleus for continuing adult education.

Over the past 129 years since it was founded by Booker T. Washington in 1881, Tuskegee University has become one of our nation's most outstanding institutions of higher learning. While it focuses on helping to develop human resources primarily within the African American community, it is open to all. Tuskegee's mission has always been excellence in knowledge and service to people - not education for its own sake. Stressing the need to educate the whole person, that is, the hand and the heart as well as the mind, Dr. Washington's school was soon acclaimed-first by Alabama and then by the nation for the soundness and vigor of its educational programs and principles. The solid strength has continued through subsequent administration of Dr. Robert R. Moton (1915-1935), Dr. Frederick D. Patterson (1935-1953), Dr. Luther H. Foster (1953-1981) and Dr. Benjamin F. Payton (1981-2010). On August 1, 2010, Dr. Charlotte P. Morris assumed the role of Interim President of the University. She is the first female to serve at the helm of Tuskegee University, and only the second Interim President for the institution.

Tuskegee enrolls more than 3,000 students and employs approximately 900 faculty and support personnel. Physical facilities include more than 5,000 acres of forestry and a campus on which sit more than 100 major buildings and structures. Total land, forestry and facilities are valued in excess of \$500 million.

# INTERIM PRESIDENT CHARLOTTE P. MORRIS

Dr. Charlotte P. Morris has served in a number of roles at Tuskegee University for the past 25 years. For the past 22 years, she has worked with President Benjamin F. Payton as Executive Associate to the President and Secretary to the Board of Trustees. In addition, she serves as Director of the Tuskegee University Title III Program and as Chair of Convocations and Special Events. Morris has also been named Associate Dean and Professor of Management in the College of Business and Information Science. She will assume those duties when she steps down from the position of Interim President.

In a statement recommending her for the interim position, Dr. Payton stated, “Dr. Charlotte Morris brings a broad range of knowledge and experience about Tuskegee University’s management and governance that is second only to the President’s. She is well known and highly respected by the campus community as a strong and able administrator. I am confident that she will handle the role of Interim President wisely and well.”

A native of Kosciusko, Miss., Morris completed her undergraduate work at Jackson State University, where she received a B.S. degree in Business Education. The master’s degree was obtained from Delta State University in Cleveland, Miss., and the Ph.D. degree in Education and Business Management was earned from Kansas State University in Manhattan, Kan. Morris has done further study at the Harvard University Graduate School of Education’s Institute for Educational Management, Cambridge, Mass. Additionally, she has completed coursework in Higher Education Administration at Southern Illinois University-Carbondale, as well as summer institutes in Curriculum Development in Higher Education at Pine Manor College in Boston, Mass.

Prior to joining the President’s staff, Morris was Assistant Dean and Assistant Professor in the College of Business and Information Science at Tuskegee University. Morris has also served as an instructor at Trenholm State Community College in Montgomery, and she was a Graduate Teaching Assistant while studying for the doctorate at Kansas State University. Other higher education experience includes Program Associate for Planning, Management and Evaluation at Mississippi Valley State University.

A resident of Montgomery, Ala., since 1983, Morris is a Golden Life member of the Montgomery Alumnae Chapter of Delta Sigma Theta Sorority Inc.; the Agnes J. Lewis Federated Women’s Club (where she serves as Vice President), and she is a member of The Lilly Missionary Baptist Church. She was designated a Bush Foundation Fellow in 2005.

## ARNOLD HOUSTON

### Sports Information Director

There are hundreds of proud Tuskegee graduates who have returned to render service to their alma mater. The Alabama native differs, however, in the volume of both his work and commitment.

A long-time advocate of higher education, Houston earned undergraduate and graduate degrees from Tuskegee University in mathematics education and student personnel services, respectively. Over the years, has attended several workshops and seeks out numerous professional development opportunities.

Before becoming one of the most respected and accomplished Sports Information Directors (SID), Houston served Tuskegee in a number of capacities, all with increasing responsibility. In addition to his selection to Outstanding Young Men of America, Houston has also been included in a publication of Personality of the South.

In 1993 and 1994, Houston was a coach for the Tuskegee's national championship Honda Campus All-Star Challenge teams. A charter member of the Tuskegee Chapter of Phi Delta Kappa, a professional education fraternity, Houston also is a member of Phi Beta Sigma Fraternity, Inc. He has received numerous plaques and certificates of accomplishments, honors, appreciation, recognition and outstanding service.

He was recognized as the Staff Employee of the Month for February 2005 at Tuskegee University.

In addition to the publication of game programs, media guides and sports schedules, Houston is a weekly pollster for the Sheridan Broadcasting Network Football Poll.

He served as vice president of the SIAC Sports Information Directors' Association for nearly 10 years. Houston was the recipient of the 2010 Cleve L. Abbott Memorial Award, given by the Tuskegee National Alumni Association.

# HEAD FOOTBALL COACH

**W**illie Slater was appointed head football coach at Tuskegee University on January 17, 2006. Slater has 32 seasons of coaching experience, including 27 years at the collegiate level; 17 were as an offensive coordinator.

"Coach Slater is a proven winner who believes in recruiting hard to find the best players available and coaching them well. He knows the importance of teaching players to be the best they can be athletically and in life," said Dr. Benjamin F. Payton, fifth President of Tuskegee. "That, coupled with his winning record and spirit, makes him the top selection to lead our Golden Tigers football team."

The Coffeeville, Ala., native has coached at Temple University, 2004-2005; Jacksonville State University, Jacksonville, Ala., 2000-2003; the University of North Alabama, Florence, Ala., 1992-1999; the University of West Alabama, Livingston, Ala., 1991-1992; and Troy University, Troy, Ala., 1983-1990. Slater was offensive coordinator for the 1A Temple Owls of Philadelphia, Pa., in 2005.

A five-time NCAA Division II National Assistant Coach of the Year, he has five Division II national championship rings. Slater joined the Tuskegee staff after having served as the offensive coordinator at Temple under Bill Wallace in 2005 and Jacksonville State under Jack Crowe from 2000 to 2003. JSU won the Ohio Valley Conference title with a 7-1 (8-4 overall) record in 2003. Prior to his stay with the Gamecocks, he worked as offensive coordinator at North Alabama for eight years (1992-1999), including six seasons under Wallace (1992-1997).

During his stay in Florence, Ala., the Lions qualified for the NCAA playoffs five times and won three consecutive national championships from 1993-95. Slater was named the Division II National Assistant Coach of the Year in each of UNA's title seasons. In 1993, North Alabama had the country's top rushing offense, gaining 317.5 yards per contest.

Slater's first full-time position at the collegiate level was at Troy State, where he served as running backs coach under Chan Gailey from 1983-84. In total, he spent eight seasons with Trojans, also working as quarterbacks and running backs coach under Rick Rhoades (1985-87) and offensive coordinator under Robert Maddox (1988-90). Troy State went to the playoffs three times during his tenure and won NCAA championships in 1984 and 1987. Slater was cited as the Division II National Assistant Coach of the Year in both of the team's title campaigns.

Slater began his coaching career as a graduate assistant coach at his alma mater, West Alabama, in 1978 and earned a bachelor of science degree in business education at the university in 1979. He also coached at the high school level, first at Jess Lanier High School in Bessemer, Ala. (1979-1980) before moving to T.R. Miller High School in Brewton, Ala. (1981-82). Slater was

a four-year starter at quarterback for West Alabama, then called Livingston College, from 1974-77 and helped the Tigers to a third place finish in the 1975 NCAA Division II playoffs. He still ranks sixth in career rushing at the school with 1,582 yards and 20 touchdowns and is ninth in career total offense with 2,081 yards. His 90-yard run against Troy State in 1975 still stands as the longest run from scrimmage.

Slater is a 1974 graduate of Coffeeville (Ala.) High School, where he was a prep All-America quarterback and the Class IA State Most Valuable Player.

During a stellar 27-year career of working with programs in Divisions I-A, I-AA and II, Slater has had the pleasure of coaching numerous players who have taken those skills to the NFL playing for teams such as the New England Patriots, Carolina Panthers, Washington Redskins and several other teams.

Slater propelled the Tuskegee Golden Tigers to a 22-2 in his first two years (2006, 2007), winning two SIAC titles and a Black college national crown (2007, undefeated, 12-0). He is the first first-year Tuskegee coach to win the conference championship and 10 games in an inaugural season. The SIAC, the Pigskin Club of Washington, DC and the Sheridan Broadcasting Network named him Coach of the Year in 2007.

# TUSKEGEE MARCHING CRIMSON PIPERS

**T**he Tuskegee University Marching Crimson Piper Band has enjoyed a long history of excellence. At the tender age of 25 years (1906), the Tuskegee Institute could boast of a well-organized band of 35 pieces and an 18-piece orchestra. Organizationally, the band was part of the Military Department, an administrative arrangement of several years' duration. Captain Elbert V. Williams was bandmaster then and Captain N. Emerson Perkins succeeded him. George B. Thornton served as acting bandmaster, on a part-time basis, during 1914-15, after which Captain Frank L. Drye was appointed bandmaster of the 45-member Tuskegee Institute Band.

In 1931, the school of Music was established under the directorship of William L. Dawson. The band became a component of the newly formed department. The 1940's found the School of Music to be the Department of Music, still headed by William L. Dawson. Captain Drye held the title of Head, Band Instruments, and Director of Bands. The band, then, consisted of seventy-five pieces including drum majors, juvenile drum majors, majorettes and herald trumpeters.

Subsequent directors of the Tuskegee Marching Band have been Dr. William P. Foster (Director of Bands [Emeritus] at Florida A&M University), Dr. Lucius R. Wyatt (former Director of Bands at Prairie View A&M University), Edward Graves (Director of Bands at Tennessee State University), and Ronald J. Sarjeant (retired Director of Bands at South Carolina State University).

The Tuskegee University Band is now under the direction of Warren L. Duncan, a native of Jacksonville, Fla. Duncan is a graduate of Florida A&M University where he earned the Bachelor of Science degree in Music Education in 1971. He received his Master of Education degree from Auburn University in Alabama. Duncan has been at Tuskegee for over 38 years, the last 34 as Director of Bands. He also serves as Head of the Department of Fine and Performing Arts, of which the band is a component. Duncan is married to the former Deidre D. Yates, a 1971 & '72 Tuskegee alumnus.

Duncan is assisted by Lyn Thompson, who coordinates and choreographs the Crimson Piperette dance line and JeGayde Colvert, announcer and percussion section coordinator, Danielle Dinkins, flag line coordinator, Tyrone Jackson, dance routine coordinator and Stefan Smith, assistant arranger, all of whom studied at and performed in the bands of Tuskegee University. Louis (J.R.) Booth serves as the official band photographer/videographer.

The Crimson Piper Band marches over 150 members, including piperettes, flag line and drum majors. For nearly 100 years, the Marching Crimson Pipers, known for their unique marching style, powerful musical arrangements, intricate dance steps and quality presentations by the dancing piperettes, flag line, and soulful drum majors, have performed at Soldier Field, Chicago, IL; Crosley Field, Cincinnati, OH; Tampa stadium, Tampa, FL; the Tangerine Bowl, Orlando, FL; Atlanta-Fulton County Stadium and the Georgia Dome, Atlanta, GA; Browns Stadium, Cleveland, OH; Edward Jones Dome, St. Louis, MO; Tropicana Field, St. Petersburg, FL; Legion Field (Birmingham Stallions, World Football League), Birmingham, AL; Rynearson Stadium, Ypsilanti, MI; Cardinal Stadium, University of Louisville, Louisville, KY; Rice Stadium, Houston, TX; Texas Stadium, Dallas, TX; The Stagg Bowl (NCAA Division III Championship Football Game) Phenix City, AL; Mardi Gras Parade, Mobile, AL; Governor's Inaugural Parades, Montgomery, AL; The Peanut Festival Parade, Dothan, AL; and numerous other university stadiums, parades and functions throughout the nation. Most recently, the band was featured on the "Ellen" (Degeneres) Show last February in Los Angeles, CA.

Scholarships (participation grants) are available by audition. For more information contact: Warren L. Duncan, Director of Bands, Tuskegee University, Tuskegee, AL 36088, e-mail: [duncan@tuskegee.edu](mailto:duncan@tuskegee.edu), or call (334) 727-8325. - Fax # (334) 724-4295.

# TUSKEGEE SONG

## “THE TUSKEGEE SONG”

Music by N. Clark Smith

Tuskegee, thou pride of the swift growing South,  
We pay thee our homage today,  
For the worth of thy teaching, the joy of thy care;  
And the good we have known 'neath thy sway.  
Oh, long-striving mother of diligent sons.  
And of daughters, whose strength is their pride  
We will love thee forever, and ever shall walk  
Thro' the oncoming years at thy side.

Thy hand we have held up the difficult steeps,  
When painful and slow was the pace,  
And onward and upward we've labored with thee  
For the glory of God and our race  
The fields smile to greet us, the forests are glad,  
The ring of the anvil and hoe  
Have a music as thrilling and sweet as a harp  
Which thou taught us to hear and to know.

Oh, mother Tuskegee, thou shinest today  
as a gem in the fairest of lands;  
Thou gavest the heav'n-blessed power to see  
The worth of our minds and our hands.  
We thank thee, we bless thee, we pray for thee years  
Imploring with grateful accord,  
Full fruit for thy striving, time longer to strive,  
Sweet love and true labor's reward.

# 2010 TUSKEGEE FOOTBALL PREVIEW

**Senior All-SIAC  
Wide Receiver Antoine Mitchell**

## At a Glance

It was a miraculous period, 2000-2009, for Tuskegee University football. The Golden Tigers concluded the decade with a 101-16 record, a .863 winning percentage. Averaging 10.1 victories per season, they won seven SIAC titles, six Pioneer Bowls and two HBCU national championships. The 2000 and 2007 teams finished the season undefeated, 12-0 each year.

Now, 2009 was suppose to have been a transformation year, but the Golden Tigers captured their fourth straight title (10-2, 8-1 SIAC), and won Pioneer Bowl XI, 21-7 over Elizabeth City State. Only an early season loss, with a youthful quarterback, kept the Golden Tigers from possibly winning their ninth Black College national championship. The Golden Tigers finished third in the final Sheridan Broadcasting Network Poll and 17th in the final AFCA NCAA II rankings.

With 15 regular starters returning, six on defense (DT Danny Anderson, DT Malcolm Crutchfield, DE Darian Barnes, LB Brian King, SS Ronald Smith, CB Kenneth Baker), eight on offense (SE Antoine Mitchell, FL Wayne Williams, OG Ryan Jackson, OG Darius Graham, OT Charlie Craig, TE Miles Robinson, FB John Pasasley, QB Jeremy Williams/Joshua Harris) and PK Eduardo Murillo, look for Coach Willie Slater to plug a few holes and keep the nation's most successful HBCU football team rolling in 2010.

Tuskegee has a six-game overall winning streak and a 23-game home winning streak, extending back to 2004.

There will be no resting on laurels in Tuskegee. The Golden Tigers will claw for their fifth consecutive conference title.

## Offense

The 344.8 offensive production in 2009 was down from the previous year, but it did not keep the Golden Tigers from winning the conference championship

After missing the 2009 season due to injuries, SBN All-American center Michael Stevens, running back Stephen Freeman and wide receiver Jonathan Lessa, return. The three have been regulars for the Golden Tigers in the past.

Wide receiver Antoine Mitchell, a first team All-SIAC pick in 2009, caught 47 passes for 800 yards and scored seven touchdowns to lead the SIAC in receiving yards per game (66.7). Wayne Williams, who grabbed 32 passes for 532 yards and two touchdowns, complemented him. D'Mario Franklin corralled 12 passes for 214 yards and two touchdowns. If you add Thomas Wilder and Mark Hughes to the fray, along with Lessa's return, the Golden Tigers have a loaded receiving corps.

Two skilled quarterbacks are back, Jeremy Williams and Joshua Harris. Williams passed for 1,121 yards and five touchdowns, and Harris 882 yards and eight touchdowns. Williams started the first eight games (6-2) and Harris (4-0) the last four.

John Pasasley, the team's leading scorer, rushed for 415 yards and 10 touchdowns from his fullback position. Nykeem Barton gained 308 yards and scored six touchdowns in reserved roles last year.

The offensive line features Jackson and Graham at guard and Craige at tackle. Stevens, who started every game in 2006, 2007 and 2008, will start at the center position. Former Tuskegee running back coach Keith Higdon takes over as offensive line coach after spending four seasons at Clark Atlanta.

The tight end combo of Miles Robinson and Derrick Jackson is strong.

**Senior Running Back John Pasasley**

# 2010 TUSKEGEE FOOTBALL PREVIEW

**Junior DB Kenneth Baker**

William Buford is a very talented defensive back. He is a two-sport athlete (football and baseball), who was the 2010 SIAC Freshman of the Year in baseball. Look for Jacquez Pride and Rodney Anthony to play key roles in the defensive secondary.

Last season, Person finished second in total individual tackles and Ronald Smith was fourth. Barnes, the conference's sack leader, had 12.5 sacks and 17 stops from behind the line of scrimmage. Baker's five interceptions led the Golden Tigers in 2009.

All-America defensive back Dontrell Miller transferred to Tuskegee from University of Tennessee-Martin last spring. He was a first team All-Ohio Valley Conference first team selection in 2008. Miller earned All-America honors when he was selected to the 2008 AFCA FCS Coaches Team and the AP FCS Second Team. He recorded 78 tackles, four interceptions, four fumble recoveries and five defensive touchdowns.

The 2009 defensive squad held opposing teams to 15.9 points per game and 232.2 yards per game, best in the Southern Intercollegiate Athletic Conference.

## Special Teams

Eduardo Murillo, 3-of-8 in field goal attempts and 35-of-37 in extra point kick attempts, returns as the placekicker, but a replacement will have to be found for punter Christopher Khan.

Wayne Williams and Mitchell, the top two kickoff return guys, are back. Williams returned 14 kickoffs for 312 yards and Mitchell 11 for 191 yards. Mitchell also led the team in punt returns, 14 for 129 yards.

## Schedule

The Golden Tigers replace Circle City Classic opponent Alabama A&M with another SWAC foe, Texas Southern. Runner-up Albany State comes to Tuskegee in September to test the Golden Tigers' five-year mastery of the Golden Rams. Five games make up the home slate, including the November 6 Homecoming date with the Lane Dragons. The last home loss came in 2004. A nine-game mandated conference slate awaits the Golden Tigers.

## Defense

The defense will be built around All-SIAC tackle Danny Anderson and defensive end Darian Barnes, who anchor a solid line. Danny Anderson tallied 37 tackles, 9 QB sacks, 17.5 TFL and two fumble recoveries, while Darian Barnes recorded 37 tackles, 17 TFL, 12.5 QB sacks and one fumble recovery.

Anderson was a second team all-SIAC selection, but it was good enough to earn a spot on the 2009 Daktronics All-America NCAA Division II Football All-Super Region #2 Second Team.

Other top standouts are linebacker Isaiah Person (51 tackles, two interceptions, 2 PD), linebacker Brian King (30 tackles, one quarterback sack, two fumble recoveries), cornerback Kenneth Baker (26 tackles, 5 interceptions, 9 PD) and strong safety Ronald Smith (43 tackles, three interceptions, 8 PD).

### A Brief History of the Turkey Day Football Classic

The Turkey Day Classic, the oldest football classic among the nation's traditionally Black Colleges, dates back to Thanksgiving Day 1924. Thanksgiving Day 2009 the 87th Annual Turkey Day Classic kicks off at the 21,800-seat Cramton Bowl, pitting the Tuskegee University Golden Tigers against long-standing classic archrivals, the Alabama State University Hornets.

When it first started, about 8,000 fans attended the Classic. Recently, it has drawn crowds of up to 30,000. Tuskegee and Alabama State played each other in the first game as well as 78 other games to follow.

Two Montgomery businesspersons, Cliff Green and Fred Cramton, started this annual meeting between Tuskegee and Alabama State. At that time, Green ran May and Green Athletic Equipment on South Court Street. Cramton, a homebuilder and local lumberyard owner, was a close friend of Green. The two avid sports fans were instrumental in organizing the nation's oldest Black College Football Classic. It is of no minor significance that these two were white. During this emotional, racially charged time, this significant event transcended deeply rooted social attitudes that were reflected in racial discrimination.

The game also serves as Alabama State's homecoming.

Each year, the Classic represents a major social as well as athletic event. Fans of Tuskegee and alumni and friends of Alabama State gather for the Turkey Day Classic parade, game, reunions and parties associated with the annual event. The event has also come to be known as a fashion parade for the people who attend.

Tuskegee and Alabama State have played each other 80 times since 1924 in the Turkey Day Classic and have met 95 times overall since 1901. Tuskegee leads the Turkey Day Classic series 47-31-3 and the overall series 59-33-4. Alabama State has played four other schools in the Classic series: Mississippi Valley State, 1971; Clark Atlanta, 1986; Johnson C. Smith, 1987 and 1991; and Fayetteville State, 1992.

# FOOTBALL SCORES VS. 2010 OPPONENTS

The Tuskegee-Morehouse football rivalry began in 1902 and has continued each year with the exception of the following years: 1903, 1905, 1907, 1918, 1920, 1921, 1929, 1934 and 1935.

Football started at Tuskegee University in 1894. Tuskegee's football program is the fourth and the winningest among historically Black colleges and universities- 621 wins.

Football started at Morehouse, then known as Atlanta Baptist Seminary, in 1900. In 1908, Atlanta Baptist College changed to its present name of Morehouse College. The Annual Football Classic in the 20,000-seat Memorial Stadium between Tuskegee and Morehouse has become a CLASSIC event to the City of Columbus, Georgia. E. E. Farley, Dr. Thomas Brewer, Dr. Kid Terry, Cleveland L. Abbott and Dr. Frank L. Forbes were on the committee that started the CLASSIC in 1936.

In this long series, there have been many exciting games. Tuskegee has won by the largest margins: 1952, 59-7; 1965, 41-0; 2004, 56-8; and 1966, 93-0.

In 1940, Arthur Sawyer, a 140-pound speedster, ran Morehouse dizzy with touchdown spurts of 40 and 70 yards, respectively, as Tuskegee defeated Morehouse 18-0. Marion Smiley scored from the 2-yard line.

In the 1944 game, played before a crowd of over 15,000 fans, Tuskegee overpowered the fighting Morehouse eleven en route to a 40-19 victory. Fullback Thomas Hornburger passed the attack as he scored two touchdowns and Alex Brown scored from the four-yard line. Alva Tabor and the running of Thomas Hornburger were

outstanding.

In 1955 a new committee composed of Mr. Gordon H. Kitchen, Mr. A. J. McClung and Mr. Carl Haywood took over the leadership of the game.

In the 1957 game, Curtis Horton, a 135-pound halfback, paced the Tuskegee Golden Tigers to a 34-6 victory over Morehouse before 12,000 chilled fans. Ozzie Davenport of Tuskegee recovered a fumble on the 22-yard line. Tuskegee marched 78 yards to the nine-yard line where George Drake scored. Sixteen points were scored in the third quarter and 12 more were added in the fourth quarter. Morehouse scored in the last 35 seconds. The passing of quarterback Dennis Keller, and the running of Horton, Drake, Field and Davenport were outstanding.

The CLASSIC, started in 1936, has continued to be played each year in Columbus, Georgia (Memorial Stadium), except for 1974, when it was played at Cleve Abbott Memorial Alumni Stadium in Tuskegee and the Golden Tigers won 49-14.

The Tuskegee-Morehouse Football Series is one of the nation's oldest running series in NCAA Division II. The longest winning streak in the overall series was from 1924-1933 where TU was victorious 10 consecutive years as they were coached by legendary Tuskegee mentor Cleveland Leigh Abbott. Abbott amassed over 200 wins during a 33-year coaching career. Tuskegee was also victorious during the years 1940-1947 (8 years) under Abbott and 1973-1981 (9 years) under Haywood Scissum. The longest winning streak by Morehouse was three games during five different periods. Thirty shutouts have been recorded, 18 by Tuskegee and 12 by

Morehouse.

Today, the contest averages over 20,000 spectators per game.

TU leads the overall series 65-27-7 and 50-19-5 in the Memorial Stadium Classic in Columbus through 2009.

The Southern Intercollegiate Athletic Conference (SIAC) was founded in 1913, and today, 89 years later, the conference flies high above the rest as one of the most viable forces in intercollegiate athletics among the nation's collegiate systems.

On December 30, 1913, representatives of the following institutions met at Morehouse College in Atlanta, Georgia to consider the regulations of intercollegiate athletics among the Black colleges in the southeast: Alabama State University, Clark Atlanta University, Morehouse College, Morris Brown College, Talladega College and Tuskegee University. The representatives formed a permanent organization (The Southeastern Intercollegiate Athletic Conference) which has had a continuous history to the present. In 1929, they changed the name of this organization to The Southern Intercollegiate Athletic Conference.

In 1929, the Conference experienced its first break in membership. Five institutions (Talladega, Fisk, Morehouse, Knoxville, and Atlanta University) withdrew and formed the Collegiate Athletic Conference. On December 13-14, 1929, the Southern Intercollegiate Athletic Conference and the Collegiate

Athletic Conference mutually agreed to reunite and form the Southern Intercollegiate Athletic Conference - SIAC.

Two institutions have held continuous membership in the conference: Clark Atlanta and Tuskegee. Other institutions, which have at one time or another been members, are:

- Alabama A&M University (1947-1997)
- Alabama State University (1913-1975)
- Allen University
- Bethune-Cookman Univ. (1950-1979)
- Edward Waters College
- Fisk University
- Florida A&M University (1926-1978)
- Jackson State University
- Morris Brown College (1913-1999)
- Savannah State University (1969-1999)
- So. Carolina St. University (1939-1970)
- Talladega College (1913-1978)
- Tennessee State University (1926-1939)
- Xavier University

The SIAC is a member of the National Collegiate Athletic Association (NCAA) and participates at the Division II level. On an annual basis, the SIAC sponsors six men's championships (cross country, football, basketball, tennis, outdoor track and field and baseball) and six women's championships (cross country, volleyball, basketball, softball, tennis and outdoor track and field).

# CLEVELAND LEIGH ABBOTT HEAD COACH (1923-1954)

**C**leveland Leigh Abbott was born in Yankton, South Dakota on December 9, 1894. He was one of the seven children born to his parents, Mollie Brown and Elbert B. Abbott. He graduated from the Watertown High School and South Dakota State at Brookings, South Dakota, from which he received the Bachelor of Science degree in 1916. He did graduate work at Kansas State, Manhattan, Kansas and Harvard University.

As an athlete, Abbott had an enviable record. He won 16 letters while in high school and 14 letters in college. He was captain of the South Dakota State basketball team; an anchorman on the relay team, an all-state center for four consecutive years and one year was selected as an All-Northwestern center. While representing South Dakota State at the Drake Relays, Des Moines, Iowa, he met Jessie Scott, who later became his wife. He began work at Tuskegee University in the fall of 1916 as an agricultural chemist and assistant athletic coach, having been assured of employment by Dr. Booker T. Washington a year before his graduation. In 1917, Abbott entered the Officers Training Camp at Fort Des Moines, Iowa. Upon completion of the course, he was assigned as Commanding Officer of Company A at Camp Dodge, Iowa. He also performed the duties of regimental athletic officer. He later served with the American Expeditionary Forces in France as Intelligence Officer, 366th Infantry of the 92nd Division. At the close of World War 1, he joined the faculty of Kansas Vocational School, Topeka, Kansas, where he served as coach and commandant of Cadets.

Upon the invitation of Dr. Robert R. Moton, then President of Tuskegee University, Abbott returned to Tuskegee to become Director of the Department of Physical Education and Athletics and Head Football Coach, positions which he filled with distinction up to the time of his death.

His football team won 12 Southern Intercollegiate Athletic Conference championships and six mythical national championships. His women's track teams won the National Amateur Athletic Union (AAU) indoor and outdoor championships consistently from 1937 through 1950. They

# CLEVE ABBOTT: HEAD COACH (1923-1954)

won 14 national team outdoor titles, including eight in a row. Tuskegee athletes won 49 indoor and outdoor individual titles and a half dozen were on Olympic teams. Members of the Tuskegee Women's Track and Field Team (Alice Coachman, Mabel Walker, Theresa Manual) were selected to represent the United States at the 1948 Olympics held in London, England. Alice Coachman was the first African American woman to win a gold medal in the Olympics. She was the only American woman to win a gold medal in the 1948 games. Mary McNabb represented the United States at the 1952 Olympics held in Helsinki, Finland. Mildred McDaniel and Nell Jackson were on the 1956 U. S. Olympics Team. McDaniel repeated Coachman's 1948 Olympic feat with a world-record clearance in the 1956 games.

Representatives of the Tuskegee Women's Track and Field teams also participated in the Pan-American Games at Buenos Aires in 1951 and in the Pan-American Games in Mexico City in March of that year. Many other Abbott-trained athletes have broken record after record as they have competed in local, national and international competition. Only a complete history of athletics in America can record the many and far-reaching contributions made by Coach Abbott to the growth and development of athletics throughout the nation. The Southern Coaches and Officials, the Annual Tuskegee Relays and the Southern Intercollegiate Athletic Conference Basketball Tournament are the results of his efforts.

In May 1951, Abbott received a key and a Certificate of Appreciation from Tuskegee University for having completed more than 25 years of service at the University. The same month a group of athletic directors, coaches and friends gave Abbott a special award at the 25th running of the Tuskegee Relays. In November 1954, South Dakota State, his alma mater, gave him a special citation, and he has received many other honors and citations for his outstanding contributions to athletics in America. Abbott was enshrined into the Tuskegee Hall of Fame in

1975, the SIAC Hall of Fame in 1992, the Alabama Sports Hall of Fame in 1994, the National Track and Field Hall of Fame in 1996 and the U.S. Track & Field and Cross Country Coaches Association Hall of Fame (USTFCCCA) in 2010.

Three of his former track athletes preceded him into the National Track Hall of Fame- Alice Coachman, Mildred McDaniel and Nell Jackson. Abbott was named the American Football Coaches Association's winner of the 2005 Trailblazer Award. In recognition of his outstanding contributions to athletics at Tuskegee, University officials renamed Alumni Bowl- Cleve L. Abbott Memorial Alumni Stadium in 1996.

Abbott passed away on April 16, 1955 and is buried in the Tuskegee University Cemetery.

# CLEVE ABBOTT MEMORIAL ALUMNI STADIUM

Ground breaking exercises for Cleve L. Abbott Memorial Alumni Stadium (formerly Alumni Bowl) at Tuskegee University was held on Saturday morning, August 21, 1924. The stadium was the first of its kind to be built at any Black school in the south. It was named Alumni Bowl because of the significant contribution made by alumni for the construction of the facility.

Principal speakers at the exercise were R. R. Taylor, acting president of the school; John L. Webb, Supreme Custodian of the Woodmen of Union of Arkansas; and Jesse Thomas, secretary of the National Urban League.

The first game was played in Abbott Memorial Alumni Stadium between Tuskegee University and Atlanta University on October 10, 1925. It was Homecoming for Tuskegee and the Golden Tigers defeated the Golden Hurricanes of AU, 20-0. A large crowd from all sections of Alabama and supporters from out of state came to witness the formal dedication of Tuskegee's new \$50,000 stadium. For Tuskegee, the outstanding players were Benjamin Stevenson, Millard Wooten, Ernest T. Bailey and Oscar Tadlock. Additions have been made to the stadium several times. The athletic

fieldhouse located at the south end, donated to the University by W. M. Marable Construction Company of Tuskegee, was erected in 1989. Marable, a general contractor, a contributor to the school's athletic program, reconstructed the press box in the mid-eighties. The most recent renovation took place in 1991 with the installation of new aluminum seats, a Pepsi Cola scoreboard and 600 stadium-type crimson and gold reserved seats. The six-lane cinder track is to be refurbished in the near future. The present seating capacity of Abbott Memorial Alumni Stadium is 10,000. The stadium is currently under going massive improvements and renovation for the Golden Tigers in 2002.

After 71 years of play in the grand old stadium, University officials formerly dedicated the facility by renaming it the Cleve L. Abbott Memorial Alumni Stadium on November 9, 1996 (Homecoming) in honor of legendary Tuskegee football mentor Cleveland Leigh Abbott. Abbott, the most successful coach in the history of Tuskegee football, served as the Golden Tigers' head coach from 1923-1954, winning 202 games, losing 95 and tying 27 in a 32-year coaching span.

# BENJAMIN STEVENSON: ALL-AMERICAN (1923-30)

One of the game's great early players whose longevity spurred the ruling that now limits a player's eligibility to only four years, Benjamin "Big Ben" Stevenson played many positions supremely and is regarded by many as the Tuskegee's finest player ever.

Selected to seven consecutive Black College All-America teams by the Pittsburgh Courier, Stevenson led the Golden Tigers to instant success. In 1924, he led the team to a 9-0 record and the school's first Black National Championship. In 1925, Tuskegee outscored their opponents 224-6 for their second straight perfect season and another national title. In all, Stevenson led the school to six Black National Championships and a remarkable 69-2-9 record in eight seasons.

An all-round athlete, Stevenson led the team and the Southern Intercollegiate Athletic Conference in rushing, scoring, kicking and interceptions from 1923-30. A talented runner, he broke off 42 runs in his career of 50 yards or more. Equally dangerous in the defensive backfield, Stevenson snatched 39 career interceptions.

Elusive speed, spectacular kicking and excellent defensive play made Benjamin Stevenson, a Liberty, Missouri product, Tuskegee's all-time football great. He was a triple-threat player with football acumen of the rarest sort.

Thousands of football fans were thrilled in the 1920's as Stevenson dazzled the opposition with broken-field runs of 90, 85, 70 and 60 yards against such grid powers as Lincoln University of Pennsylvania, Atlanta University and Southern University. Also, Clark Atlanta University and Alabama State University witnessed some of Stevenson's great performances. However, his greatest day, in a crucial

game, came in 1926 at Franklin Field in Philadelphia, Pennsylvania, against Lincoln University, when "do-it-all Steve" scored two touchdowns, kicked two extra points and booted two field goals before 35,000 fans. Eastern sportswriters said the true score was "Stevenson 20, Lincoln 16." He was told before the game that "Red" Grange, the thunder of the University of Illinois, was in the stands. Upon hearing this, Stevenson went to work and tried his best to emulate the famous red head. Grange, sitting in the stands, with several of his teammates, was thrilled by the game. Stevenson's long runs gave Grange memories of his own sprints, made in the walls of the Red and Blue Bowl.

For his superb play, Stevenson was selected on All-American teams for four years - 1923-26 as a high school player playing with the Golden Tigers and earned All-America honors as a collegiate player for four years from 1927-30. Joined with him in the backfield, at Tuskegee at that time were Paul Smith (QB), Millard Wooten (FB), Ernest T. Bailey (FB) and William E. Stewart (RB), under the leadership and inspiration of Coach Cleve Abbott and with a stout line of Ike Robinson (LE), Ashton Kitchen (OT), Earl Ellis (OG), Oscar Tadlock (C), Ivory Smith (OG), Cornelius Robinson (OT) and Owen J. Duncan (RE). During this period Tuskegee won seven Southern Intercollegiate Athletic Conference and six national championships, including a 46-game winning streak from 1923-1928.

Tuskegee dedicated its homecoming game in 1967 to one of its brightest stars and favorite sons, Ben Stevenson. The University, at the game, presented him some special awards during the pre-game and at halftime. Stevenson was inducted into the Tuskegee Athletic Hall of Fame in 1974. He was inducted the College Football Hall of Fame on August 9, 2003 in South Bend, Ind., the first Tuskegee football athlete to receive such honor. Stevenson was enshrined into the inaugural class of the Black College Football Hall of Fame in 2010.

Following his graduation in 1931 (B.S. in agriculture), Stevenson earned his Master's degree at Tuskegee in guidance and counseling before beginning a coaching career. For two seasons, he coached football, track and baseball at Tuskegee before moving on to coach the same at Booker T. Washington High School in Houston, TX for 17 additional years.

The triple-threat player was born on March 20, 1906 in Smith Mills, Missouri. He died on November 11, 1969 in Houston, Texas.
