

Tuskegee University Athletic Hall of Fame

Frank Wade

Class of 1949

FRANK WADE, '49 - played on the football and the track and field teams.

For a number of years he worked in the school systems of Indiana and Illinois. After earning his doctorate degree in education, Dr. Wade is now supervisor of Special Education for the city school system of Gary, Indiana. Frank is noted for his service to community development, having received recognition for saving the life of a drowning victim. He contributes the ability to do this to his training at Tuskegee Institute.
