Hattie S. Greer

Class of 1937

HATTIE S. GREER, Class of 1937, was a versatile athlete whose talents in athletics brought her many medals and letters for track, tennis, and basketball.

As she traveled with the teams, she became aware of the ways in which she could utilize her talents to help children to develop to their fullest potential.

Montgomery County Training School in Alabama was the first stop in her career to teach the second grade and coach the Basketball Team. From there she returned to St. Louis and worked in the St. Louis Recreation Department for a period of time before going into the classroom.

Presently, Hattie is teaching in the St. Louis Board of Education School System, where for several years she has given of her many talents to the children in the division of Special Education.

Mrs. Greer is active in educational, civic, religious and social activities in St. Louis metropolitan area.
